

*Dear Lord Jesus, Shepherd of my soul,
I acknowledge that this problem*

*may be caused or worsened by demons and evil spirits, and
I want nothing to do with them.*

*I ask you Lord Jesus, to bind them by your shed blood and
by the victory you have gained over them through your death
and resurrection. I pray that you will send these demons
and evil spirits to the place you have reserved for them, never
to harm, hurt or deceive me again. I surrender this area of
my life to You, and I pray that you will fill me with your
Holy Spirit, and I admit my helplessness and total
dependence on you, and I thank you for hearing and
answering my prayer. In your Holy Name Jesus, I pray.*
